**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Broadband internet has been very important to us as we run a farm and need a good internet connection. There was only one company, a small rural company that was willing to spend the money to get fiber to our are. Please keep rules in place that keep these small companies competitive. Big companies do not want to come into small communities and rural areas where they may only add 30-50 customers. Thanks,

Rob Meyer
